

**REMARKS**

Entry of the amended claims is proper under 37 C.F.R. §1.116 since the amendments: (1) place the application in condition for allowance (for the reasons discussed herein); (2) do not raise any new issues requiring further search and/or consideration (since the amendments amplify issues previously discussed throughout prosecution without incorporating additional subject matter); (3) satisfy a requirement of form asserted in the previous Office Action; and/or (4) place the application in better form for appeal (if necessary). Entry is thus requested.

By the present response, Applicant has canceled claims 4-8 and 12-22 without disclaimer. Claims 1-3, and 9-11 are pending in this application. Reconsideration and withdrawal of the outstanding rejections and allowance of the present application are respectfully requested in view of the above amendments and the following remarks.

In the Office Action, claims 4-8 and 12-22 have been rejected under 35 U.S.C. § 102(e) as being anticipated by U.S. Patent No. 6,014,164 (Woodgate et al.). The rejection is moot in view of the above amendments. Claims 1-3 and 9-11 have been indicated as allowable.

**CONCLUSION**

In view of the foregoing amendments and remarks, Applicants submit that claims 1-3 and 9-11 are now in condition for allowance. Accordingly, early allowance of such claims is respectfully requested. If the Examiner believes that any additional changes would place the
